# Getting Started

## Overview

This User Guide was designed to provide Startup Content Template users with a basic overview of the features and functionality of the tool.

## Installation

Once you have downloaded Startup Content Template from Unity's Asset Store.

## Quick Start

Go to: **"Tools->Startup Content Template"**, a window opened.

## Support

Should you have questions or require assistance, please send mail to [vayne.brice+unity@gmail.com](mailto:vayne.brice+unity@gmail.com)
